

HVB Training Awards

2019

Training funds were awarded to Professor Barrie Wilkinson at the John Innes Centre, Norwich to allow a postdoctoral researcher from his group to attend a four-day MicroED workshop at the MicroED Imaging Center at UCLA, Los Angeles in December 2019. Funds were spent on travel and accommodation.

Below are some comments from Prof. Wilkinson about the awarded bursary:

The HVB training fund allowed us to gain expertise and contacts that will enable us to establish a new technique at our institute, with the potential to greatly accelerate our Natural Products research.
